**SPRING and SUMMER**  
1919

We offer the Spring and Summer line of GOS-SARD CORSETS with full assurance that it is the complete expression of modern corsetry.

Each model has been designed with the most careful regard for those demands born of the active part women are taking in the work of the nation.

If you have an average figure, or if you are tall and slender, or short and slender, tall and heavy, or short and heavy; large above the waist, or large below the waist, or curved back, we have a corset which will give you priceless all-day comfort, and safeguard the wearer against those bodily ailments that are often the result of improper corsetry.

Our sales-ladies will be glad to assist you in getting just the model you should have. They are priced from \$2.50 to \$7.50.

## American Fence.

We have just received a new car of American Fence. The prices here quoted are on the basis of New Prices for Steel and wire, which were adopted at a conference between the representatives of the Iron and Steel Industry and the Government Industrial Board of the Department of Commerce at Washington, D. C.

As we understand it, this fixes the prices for Wire for the year 1919, and as we now have a fair stock of all sizes quoted, we advise placing orders for your requirements now while the boating season is open.
